\_\_\_\_\_ **Check here if your child will be attending Grade 8 Monday Program**

As a parent, I understand that I am the primary instructor for my child's faith formation. I will be supportive of my child by spending some time each week reviewing lessons and attend parent meetings during the year. Sacrament Preparation requires Parent-Child Workshop Attendance.

The United States Bishops mandate that every parish program participate in the Child Lures Program - a child personal safety program to help them be aware of possible predators & abuse. Each class participates in an age appropriate lesson regarding safety and to avoid lures. It usually takes place a few weeks into the program. For more information, visit: [www.childlures.com](http://www.childlures.com). Your signature confirms that you are aware of this program and that you give consent for your child to attend.
