Dear Parents:

It is with great pleasure that Harisch Studios continues our partnership with St. Margaret Church for their First Holy Communion in May.

We will offer two different services to the Communion families at St. Margaret. Please feel free to select the service best for your needs, and also feel free to call us at (718)821-2390 or stop by our studios at 57-44 Myrtle Avenue in Ridgewood, Queens to discuss your needs in more detail. The studio is open Saturdays from 10-4, and by appointment only at all other times.

We will be at St. Margaret on Saturday, May 6th and May 13th for on-site portraits before the 11AM Mass and in between Masses. We bring three different backgrounds, and can photograph your child alone or in a family group (size of group may be limited). An order form for these portraits is attached. We will photograph your children and your family **only by appointment**. We will NOT be available after the 1:30 PM Mass. This is a service we have offered at St. Margaret for years, and can promise high quality portraiture in a quick and convenient fashion.

In addition, we will photograph each child receiving their First Holy Communion, as well as at other key points during the Mass. The photographs will all be available for purchase. A 4x6 will be \$5, a 5x7 will be \$7, and an 8x10 will be \$10. These may be ordered on-line anytime after Monday morning following the Communion Mass, and your children will receive information on how to view those photographs at a rehearsal. **DO NOT LOSE THAT INFORMATION, AS WE CANNOT PROVIDE IT OVER THE TELEPHONE OR AT OUR STUDIOS.**

If you would like additional information about an extended portrait session at our Ridgewood studios, please call us at 718-821-2390. You will be eligible for a ten percent discount if you mention St. Margaret when you book your appointment.

We look forward to this continued relationship with St. Margaret Church and the families of the parish.

IN-STUDIO FIRST COMMUNION SESSIONS

Our Communion Portrait Sessions at our Myrtle Avenue studios are one hour in duration; they consist of poses of your child alone, or with the family. You will be able to view all of the images on-line within a few days of your sitting, and make your selections at that time.

If you would prefer to come to the studio to see printed proofs and make your selections with us, just let us know that when you make your appointment. The proofs take

We have backgrounds and props specific to First Holy Communion, including a kneeling bench, columns, chairs, a chalice, rosary beads, prayer books; a Church window background, and a Jesus Christ background, as well as traditional studio backgrounds. You may choose any or all; remember that you have one hour from the start time of our appointment, and we leave it to you to decide how many choices you would like for each pose (the more backgrounds and props you chose, the fewer selections for each pose).

The cost of the session is \$135, and includes ten minutes of consultation time immediately prior to the session to discuss the poses and props in which you are most interested. Once you see your images, you may make selections based on that. For each pose you select, there is a minimum order of \$15; prices for prints are as follows:

Prints	Price
4 Wallets	\$8.00
4x5 or 4x6	\$8.00
5x7	\$10.00

16x20	\$70.00
